BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Rubicon Pikogates from Rubicon Systems America, Inc. without conducting a competitive solicitation process for the following reason(s):

The Rubicon Pikogates are remotely controlled to raise and lower the slide gate through compatible programming. The programming system is presently utilized to collect, monitor, and alert data received for over thirty-nine sites within the County. Remote operation avoids staff travel and time to manually open and close the gate; possibly in hazardous conditions.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than May 30, 2024 for evaluation and consideration.
