NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$31,142.96 with Rexel for the provision of SCADA System Replacement Parts.

ENABLING/REGULATING AUTHORITY

Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.

Manatee County Code of Laws

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure SCADA System Replacement Parts from Rexel without conducting a competitive solicitation process for the following reason(s):

Manatee County Utilities Department requires PLC digital computer parts for their SCADA system. Operated on Allen-Bradley hardware and software platforms, these parts are crucial for connecting SCADA to plant operations, enabling the automation of electromechanical processes at wastewater treatment facilities. Rexel serves as the exclusive distributor for Allen-Bradley products and support, ensuring seamless compatibility. Any deviation from these trusted parts would necessitate a costly overhaul of the SCADA system to align with different software and hardware. Adhering to the established components not only ensures operational continuity but also safeguards against unnecessary expenses and system disruptions.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than June 12, 2024 for evaluation and consideration.
