The attached Exhibit 6, Vehicle Inventory, is hereby incorporated into the IFB 24-R084572AF.

EXHIBIT 7, FIXED BUS

The attached Exhibit 7, Fixed Bus, is hereby incorporated into the IFB 24-R084572AF.

EXHIBIT 8, PARA BUS

The attached Exhibit 8, Para Bus, is hereby incorporated into the IFB 24-R084572AF.

QUESTIONS AND RESPONSES:

Q1. Is removal needed prior or are this brand-new buses?

R1. Existing decals do not require removal as the wrap can be installed over. Existing decals that are safety related must not be covered.

Q2. Is there an install Bay to use for installation?

R2. Yes.

Q3. How many will be available to wrap at a time?

R3. One (1) to two (2) per day.

- Q4. How many 22' Paratransits and how many 29' Paratransits are we bidding?**
R4. See attached Exhibit 6, Vehicle Inventory.
- Q5. If bus is in an accident and wrap needs replaced/repaired, is MCAT responsible for that?**
R5. Yes.
- Q6. Is the removal of vinyl wraps for pre-existing vinyl, or is it for the wraps we would be installing? It's not required that the existing decals be removed. The new wrap can be installed over any existing decals. Any existing decals that are safety related must not be covered.**
R6. Refer to R1.
- Q7. Do you have a picture of the current wrap that needs to be removed?**
R7. Refer to R1.
- Q8. Do you know how long the current wraps have been on the buses?**
R8. Refer to R1.
- Q9. Please confirm that all buses will be washed prior to installation.**
R9. Refer to Exhibit 1, Scope of Service.
- Q10. Is there a covered section in which the installers will be able to work under?**
R10. Yes. Covered bus bays.
- Q11. What is the quantity of each of the varying lengths for the paratransit buses?**
R11. Refer to R4.
- Q12. What are the precise measurements of the paratransit buses for quoting the with the windows and door placements?**
R12. Refer to R4.
- Q13. What does the area look like where in the installers will be working?**
R13. Refer to R10.
- Q14. What is the timeframe on when these need to be completed? Meaning will they all need to be completed by a certain day, or when a PO comes in for a certain amount?**
R14. One a day based on availability of vehicle.
- Q15. Please confirm that the signed agreement starting on page 54 does not need to be returned with the Bid**
R15. No. Exhibit 3 is a Sample Agreement.
- Q16. From the time a PO is put in for an installation is that when we have three days to get it produced and installed? Or do we have more time than that? If we do what is that time-frame?**
R16. Refer to R14.

- Q17. After these questions are answered, and we may have more from them to clarify, may we submit more questions?**
R17. Refer to Section A, Instructions to Bidders, A.28 Solicitation Schedule.
- Q18. Paragraph Attachment D, Insurance Requirements, please confirm what is required by the statement “This policy shall contain severability of interests’ provisions”**
R18. The certificate of insurance is required to have a severability of interests’ provision.
- Q19. we need to understand whether the project can be delivered as a blitz of back-to-back removals/installs or whether this will occur on demand on the length of the agreement per paragraph B01.Agreement**
R19. Refer to R14.
- Q20. Please confirm that Items #1 an #2 include production, installation and shipping**
R20. Refer to Exhibit 1, Scope of Service, section 1.02 Scope.
- Q21. Please note that the calculation of ‘Unit Price Per Wrap’ for Item #1 an #2 will be based on production (sq/ft coverage) and installation (number of hours). Consequently, it is not possible to calculate single firm, fixed price given the variable ‘Ranging in length from 22 to 29 feet long with varying window configurations’. The potential resolutions are to state a baseline specification e.g. 22’ length per window configuration shown in Exhibit 5 Paratransit Bus Vinyl Wrap Design and Schematic IFB No. 24-R084572AF OR provide details of all 36 paratransits so the bidder can calculate an average to be used as a baseline price for the sub-fleet of paratransits – please confirm**
R21. Refer to R4.
- Q22. Will the successful bidder be able to recover additional costs if they are transparently demonstrated to the satisfaction of the County?**
R22. No.
- Q23. Please can you provide the make, model, year, and length in fleet of the vehicles?**
R23. Refer to R4.
- Q24. Would a standard turnaround/schedule of thirty working days from receipt of final artwork to first installation be acceptable?**
R24. Refer to R14.
- Q25. What is the schedule for installations and removals, is there a fixed date by which the installations must be completed?**
R25. Refer to R14.
- Q26. Please confirm the County will provide the final artwork in high-resolution vector files (e.g. Adobe Illustrator) with PMS color codes and vector files for the images**
R26. The vendor and MCAT will agree on the final artwork.
- Q27. What is the typical age, condition, and coverage of the existing wraps?**

- R27. Refer to R4.
- Q28. Are the vehicles being repainted and if so has two weeks been planned for ‘de-gassing’ to ensure proper adhesion of the vinyl material**
- R28. No.
- Q29. Confirm Contractor is required to provide unit numbers and if so, how many sets, how many digits and what size, format (reflective and opaque vinyl material).**
- R29. No.
- Q30. Please confirm the prices are valid for 12 months only inline with vinyl material manufacturer’s annual cost increases, if not please advise the validity of the pricing and opportunity for change control after 12 months and upon each anniversary**
- R30. Refer to Section B, Terms and Conditions.
- Q31. Please confirm that Item #3 Hourly Rate for Repair Services (as needed) is excluded from the evaluation**
- R31. Refer to Attachment H, Bid Form.
- Q32. Can bidders state a minimum charge?**
- R32. No.
- Q33. What is the mechanism to increase pricing after 1 year**
- R33. This is at the discretion of the department.
- Q34. Please confirm that because Item #3 is an Hourly Charge, the County will be pay extra (unstated) fees for replacement material**
- R34. Any additional fees will need to be approved by MCAT.
- Q35. Please confirm that the Extended Cost is calculated by multiplying ‘Estimated Quantity’ and ‘Unit Price Per Wrap’**
- R35. Yes.
- Q36. Item #2 (reference page 50 – “For Paratransit Buses, which have varying window and door configurations, the Contractor must obtain precise measurements to ensure accurate vinyl wrap designs.”) is problematic because bidders are being asked to provide a fixed low bid price for a variable specification, request to change this to a specific length and window configuration**
- R36. Refer to R4.
- Q37. Please can we request a list of all of the registered bidders, if available**
- R37. This information is not available at this time.
- Q38. For bids with renewal options, at whose discretion is the renewal (agency, mutual consent)**
- R38. Mutual.

- Q39. Page 2, 'Bidders or their representatives may attend the Bid opening', request to join the ceremony remotely via Microsoft Teams or Zoom**
R39. No.
- Q40. Can electronic signatures be used, or should wet/ink signatures be scanned to PDF?**
R40. Wet signatures scanned to PDF.
- Q41. Paragraph A.05, 'Bidder shall submit with its Bid a brief summary of its environmental sustainability initiative' please advise any environmental sustainability initiative from current provider or previous arrangements**
R41. If the vendor has an environmental initiative, please submit.
- Q42. A.24 Licenses and Permits, please can you specify which ones are required**
R42. Refer to Exhibit 2, Minimum Qualifications.
- Q43. Paragraph B.06 Supplier Registration, please confirm that vendor registration on DemandStar is not compulsory**
R43. No.
- Q44. Paragraph B.09 Taxes, please confirm the awarded contractor will be provided with a Tax Exemption Certificate**
R44. Yes.
- Q45. Paragraph B.13 Minority and/or Disadvantaged Business Enterprises and page 41 (DBE Participation Goal), please confirm there is no DBE goal for this Bid**
R45. No.
- Q46. Page 39, does Buy America apply to this Bid?**
R46. The buy America clause was included given the possibility of the contract as whole, exceeding the federal required threshold.
- Q47. Also page 39 and 44, please confirm neither Fly America nor Cargo Preference Requirements apply to this Bid**
R47. The buy America clause was included given the possibility of the contract as a whole, exceeding the federal required threshold.
- Q48. Paragraph B.20 ePAYABLES, does the County use Automated Clearing House (ACH) banking, or postal checks as alternatives to credit card payment?**
R48. Refer to Clerk of Court, Accounts Payable Supervisor at (941) 749-1800.
- Q49. Please confirm that notaries can be located out of state?**
R49. Yes.
- Q50. Please confirm that all insurance certificates are not required prior to award**
R50. Refer to Attachment D, Insurance Requirements and Insurance Statement.
- Q51. Please confirm Attachment C, E and F are the only forms requiring notarization**
R51. Refer to solicitation.

- Q52. Paragraph 1.01 Background Information, please advise the split between 36 Paratransit Buses, which range in length from 22 to 29 feet long e.g. how many per specific foot length**
R52. Refer to R4.
- Q53. Is this a unionized environment, is there a Labor Agreement for this project?**
R53. No.
- Q54. Please confirm that the contractor will be provided with a temperature-controlled bay above 15 degrees with access to power, light and water and 3 feet of surrounding working space.**
R54. Yes.
- Q55. Please confirm the working hours at MCAT e.g. 24/7?**
R55. Refer to Exhibit 1, Scope of Service.
- Q56. How many bay(s) are available with power, light and temperature control**
R56. One (1).
- Q57. Is "open flame" (blow torches) permitted on site?**
R57. Yes.
- Q58. Can the vehicles be installed in a single batch? If not, what is the batch size?**
R58. Refer to R14.
- Q59. Please acknowledge manufacturer's limitations on the windows ('No warranty applies for film installed on windows, but 2 years expected durability')**
R59. MCAT acknowledges manufacture limitations.
- Q60. Because 3M only offer a 1-year vertical warranty and a predicted 3-year lifespan for perforated material, should vendors note an exception?**
R60. Yes.
- Q61. Paragraph 1.03 General Requirements, A – Installation, point #6 "Installation of vinyl wraps must be completed in less than three (3) days. If more time is needed, approval must be obtained from MCAT." Please confirm this is three business days on-site duration not three days of scheduling**
R61. Yes, three (3) business days.
- Q62. Paragraph 1.03 General Requirements, B – Removal, point #2 "Contractor will be required to remove all vinyl wrap and ensure that no paint will peel from the bus." although the contractor can follow industry guidelines it is not possible to guarantee paint will not peel, please state the consequences of peeling e.g. will the County repaint the affected area?**
R62. Yes.

Q63. Paragraph 1.03 General Requirements, B – Removal, point #4 “Removal of vinyl wraps must be completed in less than three (3) days. If more time is needed, approval must be obtained from MCAT.” Please confirm this is three business days on-site duration not three days of scheduling

R63. Refer to R61.

Q64. Regarding the point A – Installation and point B Removal, are these to happen back-to-back, or should a delay or interruption be expected for bodywork repair?

R64. If there is damage, this may delay wraps.

Q65. Paragraph 1.04 Technical Requirements, part B - B. Vision or Window Perforated Vinyl: request to substitute Clear Focus Classic Vue 8Mil 2 year with Avery do11060 over laminate with 3M perforated film IJ67 with hard laminate 8914 or equivalent film/hard laminate

R65. No.

Q66. Exhibit 4, 35 Foot Gillig Bus Vinyl Wrap Design and Schematic Please confirm a commercial wrap is required not a color change

R66. Commercial wrap is required.
