**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Splash pad from Play Space Services, Inc. without conducting a competitive solicitation process for the following reason(s):

The installer must be the approved installer for the company providing the equipment, Advanced Recreation Concepts, LLC, otherwise they will not provide any warranties or guarantees. Play Space Services, Inc. is the approved installation company for this case and has performed multiple installments across the county. Place Space Services, Inc. is also installing the all-inclusive playground at Tom Bennett Park. Utilizing the same vendor to install materials for both areas will help ensure a smooth and well-coordinated construction process.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than August 12, 2024 for evaluation and consideration.
