BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Power Washing Equipment from Snap-On Industrial without conducting a competitive solicitation process for the following reason(s):

Snap-On is the only OEM source for Snap-On equipment. The Fleet Division has an existing inventory of Snap-On equipment. Standardization reduces training requirements, increases safety, and reduce labor effort for repairs. It is in the County's best interest to maintain that standardization.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 21, 2024 for evaluation and consideration.
