BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Annual Filter Maintenance-Southeast Regional Treatment Plant from Carter & VerPlanck, a DXP Company without conducting a competitive solicitation process for the following reason(s):

Carter & VerPlanck, a DXP Company is the sole authorized representative for Nova Water Technologies in the State of Florida. The Nova filters are used at all three Water Reclamation Facilities. Using Carter & VerPlanck, a DXP Company ensures that the filters are kept running at maximum efficiency, downtime is reduced, and disruption to this area of the treatment process is minimal.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 23, 2024 for evaluation and consideration.
