### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Hydromatic Submersible Pump from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

The Manatee County Utilities Department has established a longstanding partnership with Barney's Pumps, Inc. as their exclusive distributor and certified warranty repair provider for Hydromatic pumps in the Southwest Florida region. This collaboration has not only ensured that the water treatment facilities receive top-notch pumps and repairs but also benefit from discounted rates backed by Barney's Pumps, Inc. warranties. By consistently utilizing Hydromatic pumps, Manatee County effectively streamlines repair processes and minimizes costs by eliminating the need for additional parts and reducing inventory complexity. This strategic approach not only facilitates quick repairs but also contributes to significant cost savings, thereby keeping overhead and maintenance expenses at a minimum to ensure operational efficiency.
