**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Remanufacturing of Peerless Pump from Tom Evans Environmental, Inc. without conducting a competitive solicitation process for the following reason(s):

Tom Evans Environmental, Inc. is the authorized warranty service provider for Peerless products. Use of another vendor would void warranties. Using Tom Evans Environmental, Inc. ensures that the equipment is kept running at maximum efficiency, downtime is reduced, and disruption of the treatment process is kept minimal.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than March 27, 2025 for evaluation and consideration.
