BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Crash Cushion Devices from C. Slagter Construction, Inc. without conducting a competitive solicitation process for the following reason(s):

Installing a crash cushion at the blunt end of the wall at the intersection of University Boulevard and Lockwood Ridge Boulevard will significantly reduce the severity of head-on collisions. The selected crash cushion is listed on the FDOT approved products list and was chosen based on an engineering analysis of site conditions, compliance with State and County standards, and a review of FDOT-approved options to ensure the best fit for this location.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 3, 2025 for evaluation and consideration.
