BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Replacement Parts and Equipment for Aqua Disc Filtration System from Aqua Aerobic Systems, Inc. without conducting a competitive solicitation process for the following reason(s):

The Manatee County Utilities Department diligently utilizes Aqua Disc Filtration Systems at water reclamation facilities across the County. These proven filtration systems play a pivotal role in effectively filtering the treated process water with their reliable and large filtering capacity, catering to the facilities demands seamlessly. Scheduled maintenance and repairs are essential due to the high filtration demands, ensuring the smooth operation of facilities like the North County water reclamation facility. Aqua Aerobic Systems, Inc. stands as the trusted manufacturer and provider of these filtration systems and required components, maintaining a standardized approach to equipment across all facilities. Any deviation from this standard would incur additional costs and downtime, affecting water filtration efficiency. Fortunately, the direct replacement parts and equipment from Aqua Aerobic Systems are hassle-free, requiring no adjustments and minimal downtime for swift installations.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than May 8, 2025 for evaluation and consideration.
