**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Bambulab X1E 3D Printer Limited Edition Bundle AMS from Ultimate 3D Printing Store without conducting a competitive solicitation process for the following reason(s):

3D printers use a variety of materials that can create products tailored to the specific needs of the County while reducing cost, waste, and the need to depend on outside vendors. The Ultimate 3D Printing Store is the only vendor that will accept the County’s purchasing terms and conditions and they have optimized the pricing to be as competitive as possible.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than June 10, 2025 for evaluation and consideration.
