BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Bcone Pool Alarm Systems from Lifebuoy, LLC without conducting a competitive solicitation process for the following reason(s):

The Children's Services Advisory Board (CSAB) determined that pool surface alarms are an effective means to alert parents and caregivers of potential drowning incidents. The Bcone is an easy to use and easy to install water surface alarm that meets the goal of alerting parents and caregivers. The feature of having an in-home unit as well as real-time alerts and app notifications makes this an ideal product for the citizens of Manatee County who have children.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than June 18, 2025 for evaluation and consideration.
