**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Pickleball Court Resurfacing from Welch Tennis Courts, Inc. without conducting a competitive solicitation process for the following reason(s):

Fourteen (14) pickleball courts at the GT Bray facility require resurfacing. The project scope includes approximately 3,190 square yards of work and will involve: court preparation, vegetation removal, crack repair, patching, application of acrylic resurfacer and texture coats and repainting of playing lines. Hard-surface courts typically require resurfacing every three (3) to five (5) years to maintain optimal playability and safety. Welch Tennis Courts, Inc., a globally recognized leader in court repair and resurfacing, is proposed for this project. They are known for consistently delivering high-quality work that minimizes the need for frequent touch-ups or maintenance.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than June 30, 2025 for evaluation and consideration.
