### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Moyno 2000 series G4 pump model 4K175G4 CDQ X3ARA from Carl Eric Johnson, Inc. without conducting a competitive solicitation process for the following reason(s).

Moyno pumps are used at all three (3) water reclamation facilities. Carl Eric Johnson, Inc. is the sole distributor for Moyno pumps in Florida. Using Moyno pumps ensures the equipment is kept running at maximum efficiency, downtime is reduced, and disruption in the treatment process is kept at a minimal. Using a different brand of pump would require extensive modifications with significant extra costs to the County.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than August 7, 2025 for evaluation and consideration.
