### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Pool Water Management from PoolSure without conducting a competitive solicitation process for the following reason(s):

The Aquatics Division has been using PoolSure for the past several years. PoolSure has been able to deliver the chemicals required and repair machines in a timely manner. If the chemicals and maintenance is not completed in a timely manner the Aquatics Division would be forced to shut down the County Pools.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than October 1, 2025 for evaluation and consideration.
