BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure RoboStripe Paint for County Parks and Premier Sports Complex from The Pioneer Manufacturing Company without conducting a competitive solicitation process for the following reason(s):

The Pioneer Manufacturing Company's RoboStripe Paint is reflective under field lighting. This significantly enhances the safety conditions of the athletic fields. The paint is recommended for use with existing paint robots the County has previously purchased.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 27, 2025 for evaluation and consideration.
