BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Turf Tank Two Robot Field Painters from Turf Tank without conducting a competitive solicitation process for the following reason(s):

Turf Tank Robot Field Painters have become the standard equipment used for marking athletic and recreational fields throughout Manatee County facilities. Purchasing two (2) additional Turf Tank robots will allow the County to maintain consistency and expand operations to meet the needs of various park and athletic maintenance programs. Turf Tank is the exclusive distributor in North America of the Turf Tank Robot Field Painter. Their care plan, which includes warranty services, support and product upgrades, cannot be obtained through any other distributor.
