### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Drum Dryer Fan Wheel from Andritz Separation, Inc. without conducting a competitive solicitation process for the following reason(s).

The drum dryer fan wheel located at the Southeast Biosolids Dryer Facility needs replacement due to abrasion and normal wear over time. Andritz Separation, Inc. is the sole manufacturer and distributor for all replacement parts, accessories, proprietary control system logic and services currently used at the County's dryer facility. Failure to use the equipment provided by Andritz Separation, Inc. could result in reduced operational effectiveness and cancellation of applicable manufacture warranties.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than November 10, 2025 for evaluation and consideration.
