### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Channel Monster Repairs at Lift Station 5 and 27 from JWC Environmental, Inc. without conducting a competitive solicitation process for the following reason(s):

JWC Environmental, Inc. is the inventor and owner of the Channel Monster currently installed at all lift stations. Repairs are required to be performed by JWC Environmental, Inc. Failure to correctly repair the Channel Monster could lead to pump failures resulting in possible high-water alarms, overtime call outs and possible sanitary sewage overflows.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 1, 2025 for evaluation and consideration.
