BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Synthetic Turf Installation from Sprinturf, LLC without conducting a competitive solicitation process for the following reason(s):

Manatee County's Property Management Department procured new synthetic turf by utilizing a piggyback contract. Using SprinTurf, LLC, the designated turf installation expert responsible for manufacturing the turf, ensures adherence to warranty compliance, optimal performance, and seamless compatibility. Engaging with an alternative installer would compromise warranties and potentially disrupt the planned programming of the park.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 5, 2025 for evaluation and consideration.
