### NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$26,800.00 with Barney's Pumps, Inc. for the provision of KSB F080-217/152XEG-BP replacement pump.

### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure KSB F080-217/152XEG-BP replacement pump from Barney's Pumps Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department has standardized the use of KSB and/or Homa pumps supplied by Barney's Pumps, Inc. The replacement with other pumps would require additional modifications to the station design and/or components resulting in a large cost to the County. Standardizing also reduces the number of spare parts required to be kept in inventory. No modifications will be needed for these pump replacements because they are replacing older Hydromatic pumps.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 10, 2025 for evaluation and consideration.
