### NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$29,390.00 with Cloverleaf Corporation for the provision of MAXTension TL2 Non-Gating Parallel End Terminal Guardrail System.

### ENABLING/REGULATING AUTHORITY

**Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.**

Manatee County Code of Laws

### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure MAXTension TL2 Non-Gating Parallel End Terminal Guardrail System from Cloverleaf Corporation without conducting a competitive solicitation process for the following reason(s):

The Public Works Fuel Services Department is required to install and treat guardrails wherever impacted systems are located. The Max Tensioner TL-2, manufactured by Linday Road Safety Products, is the only end treatment currently approved by the Florida Department of Transportation. Cloverleaf Corporation is the exclusive distributor of Linday Road Safety Products in Florida.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 12, 2025 for evaluation and consideration.
