### NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT

### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure concrete pipes from Rinker Materials without conducting a competitive solicitation process for the following reason(s):

Past experience has shown that not all reinforced concrete pipe manufacturers produce pipe ends with the same dimensions. These differences can cause significant difficulties during installation when connecting ends do not match or fit together properly. As a result, additional labor, cutting tools, and cement are often required to make the joints work. Since 2005, all concrete pipe purchased for inventory has been manufactured by Rinker Materials. The Public Works Department has requested that concrete pipes be standardized.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 22, 2025 for evaluation and consideration.
