BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Vacuum Truck Rental from Great Southern Equipment Company without conducting a competitive solicitation process for the following reason(s):

Many of Manatee County's vacuum trucks are currently down for repair. Utilities requires these trucks for continuous services. Great Southern Equipment Company is the single local provider for vacuum sewer combination cleaner trucks that accepts Manatee County's insurance policy provisions covering rental equipment.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 29, 2025 for evaluation and consideration.
