BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure LSP #4 Peerless 20HH-2 Stage Pump Repair from Tom Evans Environmental, Inc. without conducting a competitive solicitation process for the following reason(s):

The LSP #4 20HH-2 stage pump located at the Southwest Regional Water Reclamation Facility needs repair. Tom Evans Environmental, Inc. is the exclusive distributor of Peerless pump parts and services for the State of Florida's municipal market. The County has previously utilized Tom Evans Environmental, Inc. for similar repair needs, and the current facility inventory and equipment are standardized to Peerless pumps. Using alternate products would cause compatibility issues

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than January 7, 2026 for evaluation and consideration.
