#### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure replacement custom control panel from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department, Lift Station Division, has need to replace end-of-lifespan control panels. The County has established a standard of control panels fabricated to County specifications by Barney's Pumps, Inc. These control panels are direct replacement for the panels that are provided by Barney's Pumps, Inc. The Utilities Department and Procurement Department have determined that this equipment sourced from Barney's Pumps, Inc. is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 15, 2026 for evaluation and consideration.
