### BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Window Tinting from Solar Vision, Inc. without conducting a competitive solicitation process for the following reason(s):

Solar Vision, Inc. has supplied and installed window film at multiple locations throughout the County. As a local dealer with full-service capabilities, they are able to provide all samples and products in a timely fashion upon request. They have matched window film and tint in existing buildings saving the County time and money, and their prices are consistently the lowest when multiple quotes are requested.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 23, 2026 for evaluation and consideration.
