BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Clarifier Replacement from Ovivo USA, LLC without conducting a competitive solicitation process for the following reason(s):

The Utilities Department has multiple clarifiers at all of the Water Reclamation Facilities. Each clarifier has a component manufactured solely by Ovivo USA, LLC that is critical to the clarification process. Using a different vendor would result in an increase of maintenance required, prolonged downtimes, and higher repair costs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 3, 2026 for evaluation and consideration.
