The Manatee County Procurement Division has completed a due diligence review and intends to procure Medeco eClick Traffic Locks and eClick BLE User Keys from 360 Network Solutions, LLC without conducting a competitive solicitation process for the following reason(s):

To maintain the operational integrity of our electronic keying system across all Signal Cabinets throughout the County, the Public Works Department intends to procure additional Medeco e-locks from our current supplier, 360 Network Solutions, LLC. This established system has proven effective in delivering comprehensive access management, including controlled entry, detection of unauthorized access attempts, and detailed audit trails.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 4, 2026 for evaluation and consideration.
