BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure Prosonic Flow Parts from Endress and Hauser, Inc. without conducting a competitive solicitation process for the following reason(s):

To reduce inventory costs and enable shared repair parts across County wastewater plants, Endress and Hauser, Inc. equipment has been standardized. This approach streamlines maintenance, optimizes spare parts management, and improves operational efficiency by utilizing a single, reliable vendor across all locations.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 1, 2026 for evaluation and consideration.
