### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Goulds pump, model 20EHC-4 removal and replacement from RPH & GPH, Inc. without conducting a competitive solicitation process for the following reason(s):

RPH & GPH, Inc. is the sole distributor of Xylem/Gould pumps. A Gould model 20EHC-4 pump is required as a direct replacement for an existing pump. This pump is a direct replacement for the Siemens Motor brand that is no longer manufactured or supported by Siemens Corporation.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 7, 2026 for evaluation and consideration.
