BACKGROUND/DISCUSSION

The Manatee County Procurement Division has completed a due diligence review and intends to procure new AL doors and frame installation with hardware from Integrated Openings Solutions, LLC without conducting a competitive solicitation process for the following reason(s):

Suncoast Doors and Hardware, Inc. is a DBA of Integrated Openings Solutions, LLC. Suncoast Doors and Hardware, Inc. have done work for the county installing over 50% of the doors and frames in the administration building. They have all parts in stock locally compared to other suppliers that had longer lead times and higher costs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 16, 2026 for evaluation and consideration.
