Question 2: We are in receipt of Addendum Two that has addressed our issues with the Railroad Protective Insurance policy however; we do not have enough Railroad Owner information to complete our application to our insurance carrier, Travelers Indemnity Company, for them to quote us a price for the policy. Please provide us with FPL-Railroad mailing address and telephone number, this information does not appear in Exhibit 'G' of the specifications.

Also, with regard to the Railroad Protective policy, what limits of liability are we to furnish? In order for us to get a cost for this policy we will need this information.

Response: The FP&L Railroad Representative is Mr. Jeffry Long, who can be reached at Jeffrey.Long@fpl.com, or (561) 691-7139. Please contact Mr. Long for the limits of liability.

Question 3: With regard to the fence and sign removal items that have been deleted from the bid form and are now to be included in Clearing and Grubbing, does the County want the fence and sign material or are we to dispose of this material ourselves? The addendum and note on the revised drawings does not specify what the disposition of the removed materials is to be. Please clarify.

Response: The contractor shall dispose the removed materials.

If you have submitted a bid prior to receiving this addendum, you may request in writing that your original, sealed bid be returned to your firm. All sealed bids received will be opened on the date stated.
