ACTION DESIRED

Authorization to award IFB #13-1274CD, Purchase of Jet Aeration Equipment for Nitrogen Removal and Digester Modifications at SWWRF, to the sole, responsive, responsible bidder, Mass Transfer Systems, Walpole, MA for a total award amount of \$581,000.00.

ENABLING/REGULATING AUTHORITY

Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.)

Manatee County Code of Law

BACKGROUND/DISCUSSION

- Project involves providing four (4) complete jet aeration equipment packages to be installed by others, for the modification of four (4) digester tanks at the Southwest Water Reclamation Facility.
- The bid price includes installation assistance, inspection and manufacturer's certificate of proper installation, on-site class room training, start-up and performance testing of equipment.
- 3/21/2013 to 4/16/2013, appropriate bid procedures were followed. Notice of the Bid's availability was posted on the Manatee County website as well broadcasted to 186 suppliers through DemandStar bid service. One (1) bid and one (1) no-bid were received.
- The Public Works Department and their Engineer, CH2MHill reviewed the bid submittal and after finding the price to be fair and reasonable they provided their recommendation for award on 4/22/2013.
- The funding source for this procurement is Utility Bonds, specifically account key 4146079080-534000/6079080-0004 (SWWRF: Process Modifications).

SUMMARY

Recommend award of IFB #13-1274CD, Purchase of Jet Aeration Equipment for Nitrogen Removal and Digester Modifications at SWWRF to Mass Transfer Systems, Walpole, MA for a total award amount of \$581,000.00.
