BACKGROUND/DISCUSSION

- On July 5, 2013 RFQ 13-1948GE for Two-way Radio Installation Services was issued. A non-mandatory information conference was held July 15. No addendums were issued. On July 26, 2013 four responses were received: Communications International, Inc., Control Communications, Inc., Mobile-One Communications & Electronics, Inc., and Wireless Technology Equipment Company, Inc.
- The Basis of Award allows for multiple awards. Considering the county workload and possible need for expedited installations, the Information Technology Department has requested that two contractors be awarded blanket purchase orders.
- After an evaluation of the quote responses, Wireless Technology Equipment Co., Inc. and Communications International, Inc., as responsive and responsible responders, are recommended for the award.
