

MANATEE COUNTY FLORIDA

September 24, 2013

TO: All Interested Quoters

SUBJECT: **ADDENDUM #1– RFQ #13-1291GE – Overhead Garage Door Repair Services**

This information is issued to modify, and/or clarify the request for quotation document.

Q1. Can you advise how we can list our service call rate separate from the hourly rate?

A1. The County has standardized these types of agreements around an hourly rate and markup for parts template. The only exception we are willing to make is the "Call Out Charge" for emergency responses. But this is an optional charge and Quoters may choose not to charge for this item.

We decline to change the format of the Quote Price Form to include a service call charge.

Q2. How many doors are included in this RFQ and what are the overall sizes of the doors?

A2. The County does not have a complete listing of these doors. The largest inventory of doors lists 40 doors. The sizes range from:
Smallest – 7' X8' typical garage door
Largest – 18'x20' Roll-up mesh door

The RFQ submittal deadline date and time remains unchanged.

A handwritten signature in black ink, appearing to read "George Earnest", is written over a horizontal line.
