BACKGROUND/DISCUSSION

- These services are primarily for code compliant inspections and testing of privately owned buildings with water utility backflow systems. A small component of the scope of work is for County facility inspections and testing. The County's annual budget expenditure for these services has averaged \$34,175 over the last three years. The attached tabulation represents an inventory list for award purposes only.
- On July 8, 2014 RFQ 14-2309GE for Potable Backflow Testing Services was issued. Two addendums were issued July 22 & 23. On July 25, 2014 six responses were received: Accurate Backflow Testing, Inc., Casey's Plumbing, Howz It Flowin, Inc., Lapensee Plumbing, Inc., Ryan's Plumbing, LLC and Waterworks.
- The Basis of Award states, "Award shall be to as many as five (5) responsive, responsible Contractors meeting specifications beginning with the Quoter having the lowest Total Quote Price."
- After an evaluation of the RFQ submittals, Accurate Backflow Testing, Inc., Casey's Plumbing, Lapensee Plumbing and Waterworks are recommended for the award.
