## BACKGROUND/DISCUSSION

Pursuant to the authority provided by Manatee County Code § 2-26-42, and the reservation of rights provided for in the quotation documents (A.14: Reserved Rights), Manatee County hereby provided notice of its decision to reject all quotes received in response to the referenced quote announcement, due to engineering reasons and may re-solicit with revised specifications.

This decision was made for several reasons. First, the scope of the project will be revised regarding the sewer pipe. Second, the plans will need to be revised to include additional erosion protection.

The Manatee County Purchasing Division is grateful for your participation and hopes that you will excuse any inconvenience this decision has caused you.
