TO: All Interested Bidders
SUBJECT: Invitation for Bids #09-3749CD
Water and Wastewater Chemicals

ADDENDUM #2

Bidders are hereby notified that this Addendum shall be acknowledged on page 34 of the Bid Form and made a part of the above named bidding and contract documents. Bids submitted without acknowledgment of the Addendum will be considered incomplete.

The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

The following question was asked after the issuance of Addendum #1:

Question #1: On page 14; D.01 for the alum the unit is listed as lbs of Al^{+3} . Also on page 35, it is indicated to give price in dry tons and lbs of Al^{+3} . Could you please provide your formula or a conversion sample for dry tons to Al^{+3} ?

RESPONSE #1: There are one hundred eighty (180) lbs of Al^{+3} in one (1) dry ton of Aluminum Sulfate.

Question #2: Several vendors have requested current supplier and price information for different chemicals being bid upon.

RESPONSE #2: Attached to this addendum is a current vendor and price list for all the items being bid upon under this invitation for bid.

If you have submitted a bid prior to receiving this addendum you may request in writing that your original, sealed bid be returned to your firm. All sealed bids received will be opened on the date stated.
