Manatee County Procurement Ordinance 2-26-42			
BACKGROUND/DISCUSSION			
PROJECT BACKGROUND:			
<ul style="list-style-type: none"> On December 13, 2016 Manatee County issued RFQ 17-0361OV to procure construction services for repairs to Lift Station 41A, Force Main and Manhole Rehabilitation at Whitfield Avenue and West Country Club Lane located in Bradenton, FL. On February 3, 2017 Manatee County determined that the quote replies were significantly higher than the statutory limits of FS 255.0525 and the Manatee County Administrative Standards and Procedures Manual (Category 3) which limits the issuance of a Request for Quotation to \$250,000.00. Therefore, Manatee County has elected to reject all quotations. This notice will be published and posted in the same manner as notice of the initial solicitation. Manatee County finds this reason is good cause and in the best interest of the County. The Project Management Division of Public Works Department shall review the previous specifications, drawings and provide updated documents in order to re-issue the appropriate solicitation. Upon receipt of the updated specifications a formal solicitation will be re-issued at a later date. In such event, County will attempt to notify all vendors who participated in this solicitation and encourage participation in submitting a bid in response to the rebid.
