NOTICE OF INTENT TO AWARD

Notice of Intent to Award, Request for Quotation 17-1794BLS, Dry Polymer to the lowest, responsive, responsible multiple quoters BASF Corporation located in Charlotte, NC (\$48,125.00 annual estimate) and Polydyne Inc. located in Riceboro, GA (\$50,700.00 annual estimate).

ENABLING/REGULATING AUTHORITY

Manatee County Code of Laws

BACKGROUND/DISCUSSION

- ◆ The intent is to establish a single agreement, for each of our three locations, with a qualified quoter to provide Dry Polymer on an "as required" basis for the Southeast, Southwest and North County Water Reclamation facilities of Manatee County.
- ◆ As a result of an informal competitive quote procedure, a total of three (3) quoters submitted quotes for consideration; BASF Corporation, Nalco Company and Polydyne Inc. One no quote was received from Sterling Water Technologies. Please refer to the attached analysis reports for the breakdown / cost comparison.
- ◆ Low quoter for the Southeast Water Reclamation Facility is BASF (product Zetag 7557) and low quoter for the Southwest Water Reclamation Facility is Polydyne Inc. (product SE-974). The North County Water Reclamation Facility rejected all quotes due to inaccurate faulty/testing procedures performed by staff.
