### NOTICE OF CANCELLATION

Notice is hereby given that Manatee County has cancelled IFB18-R067493OV. Notice is given that the County intends to resolicit for these services.

### ENABLING/REGULATING AUTHORITY

**Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.**

Pursuant to the IFB 18-R067493OV, Section A.14, Reserved Rights, and Manatee County Code 2-26-42, the County is publishing notice of its decision to cancel the project due to the lack of bids received and re-solicit the project soon.

### BACKGROUND/DISCUSSION

#### PROJECT BACKGROUND:

Work consists of replacing 67 linear feet of damaged 8-inch concrete sheet pile retaining wall and reconstruction of new retaining wall with 10-inch concrete sheet pile retaining wall in the same location. Work includes the complete demolition and removal of the damaged wall sheet piles and cast-in-place concrete cap to the dimensions specified, the installation of new sheet piles meeting FDOT Standard Index 6040 and the installation of a new cast-in-place concrete cap and concrete closure pours that tie into the remaining wall and cap sections. A tie-back system may also need to be removed and a new tie-back system will be included in the reconstruction.

#### SOLICITATION:

The solicitation was advertised on the Manatee County website, DemandStar, and was also provided to the Manatee County Chamber of Commerce and the Manatee County Black Chamber of Commerce for release to their members. No bids were received in response to this IFBC.
