NOTICE OF INTENT TO AWARD

The Manatee County Procurement Division provides notice of its intent to award a contract to Quality Marine Construction, Inc., Palmetto, FL, the sole lowest responsive and responsible bidder, for the Palma Sola Yacht Basin Retaining Wall repairs for a total bid \$249,152.80, based on a completion time of 150 calendar days.

ENABLING/REGULATING AUTHORITY

Manatee County Procurement Ordinance, Sec 2-26.

BACKGROUND/DISCUSSION

- The project is subject to funding by the Public Assistance Grant from the Federal Emergency Management Agency (FEMA). The Scope of Work includes demolition and replacing 67 linear feet of damaged 8-inch concrete sheet piling retaining wall and reconstruction of a new retaining wall with 20-inch concrete sheet pile retaining wall in the same location. This damage is a result of Hurricane Hermine in 2016.
- On December 21, 2017, the County re-issued Invitation for Bid IFBC No. 18-R0067493-10V, Palma Sola Yacht Basin Retaining Wall Repair (Project No. 0008128). The IFBC was advertised in the Bradenton Herald legal ads, the TEMPO News classified, and on the Manatee County and the DemandStar websites; solicitation information was also provided to the Manatee County Chamber of Commerce and the Manatee County Black Chamber of Commerce for release to their members. Additionally, eleven (11) bidders were directly notified via email. Quality Marine Construction Inc. was the sole response received for consideration per the attached tabulation.
- In polling the bidders directly notified, responses received were as follows:
 - Extensive workload due to Hurricane Irma
 - The project is not large enough to travel the distance
- In accordance with federal regulations, and prior to final award of the project, negotiations with Quality Marine Services, Inc. will be conducted in order to determine if Quality Marine Service's profit in the offer received is fair and reasonable.
- Project will be funded Stormwater Ops and Engineering – Hermine.
