COMMENTS

- 2/17/10 – 3/17/10 appropriate bid procedures were followed. The Invitation for Bid was broadcast on www.mymanatee.org as well as through the Manatee County Chamber of Commerce. Eighteen (18) bids were submitted, one of which was a No Bid. One bid was non-responsive.
- Awards shall be made to all responsive and responsible bidders. It is the intent of Manatee County to place orders with the lowest priced responsive, responsible bidder who can provide the service at the time needed for the length of time required. Manatee County reserves the right to place orders with vendors, other than those awarded an annual contract, in the event of an urgent, immediate need, and/or delivery time (within twenty-four (24) hours) and availability of service requested cannot be met by the lowest priced vendor at the time of need.
 - Adecco USA Inc. is non-responsive due to their departure from our standard bid language with respect to the exceptions submitted to the terms and conditions contained in IFB #10-1124JS Temporary Employment Services.
- Contract period is for twelve (12) months with an option to renew for two additional twelve-month periods, not to exceed total contract duration of thirty-six (36) months. Requested price changes for the remaining years, due to minimum wage increase, may be adjusted in accordance with the Federal Fair Labor Standards Act.

Looks good. What's the deal with Spartan Staffing? Why do we even include them if everything is a "No Bid"?

Hi Carol.

Please review the attached tabulation.

It appears all vendors are responsive with the exception of Aerotek, which did not include any signed attachments. Also, Adecco submitted Special Terms & Conditions and they need to be reviewed prior to award.

I usually don't disqualify if a vendor doesn't acknowledge the addendum unless the addendum had a major specification change but this did not.

Thank you.
