BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure replacement of existing carousel aerator from Ovivo USA, LLC without conducting a competitive solicitation process for the following reason(s):

Ovivo USA, LLC is the sole provider of a direct replacement for the carousel aerator without the need for any modifications. Using Ovivo USA, LLC to install the aerator is necessary to avoid extensive engineering and modifications to the carousel aeration basin.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 25, 2019.
