**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure replacement fixtures and lightning protection from Musco Sports Lighting, LLC without conducting a competitive solicitation process for the following reason(s):

The County previously procured lighting control systems for the Manatee County sports facilities by conducting an informal solicitation of quotations. In efforts to maintain the existing systems and ensure compatibility, the County will now procure replacement fixtures and lightning protection for the sports facilities.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than Five (5) Business Days after the Posting of this Notice of Intent to Award.
