September 3, 2010

All Interested Bidders:

SUBJECT: Invitation for Bid (IFB #10-2793-OV)
Directional Drilling for the Oakwood Subdivision
Street Light Project / Bradenton, FL

ADDENDUM #1

Bidders are hereby notified that this Addendum shall be acknowledged on page 30 of the Bid Form and made a part of the above named bidding and contract documents. Bids submitted without acknowledgement of the Addendum will be considered incomplete.

The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

Bidders Note: The deadline for clarification requests has been extended from September 8, 2010 to September 10, 2010 at 5:00 P.M. When submitting questions please include a reference to the page and / or sheet number of the plans, and / or specification sections when requesting clarification to ensure your specific question is properly addressed. This deadline has been established to maintain fair treatment for all potential bidders, while maintaining the expedited nature of the Economic Stimulus that the contracting of this work may achieve. **Questions received after close of business September 10, 2010 shall not be considered.**

The following questions are a result of the Information Conference held on September 2, 2010.

Q1: *The information provided in the Bid states that Florida Power & Light (FPL) will be providing the conduit. Will the conduit be delivered to the work site by FPL or will the successful Contractor be required to pick up the conduit?*

A1: The successful Contractor shall be required to pick up the conduit at the following FPL address location:
FLP Storage Yard: 1253 12th Avenue East, Palmetto, FL 34221. Please coordinate pick up with Mr. Greg Coker of FPL at 941-723-4430.
