NOTICE OF INTENT TO NEGOTIATE FOR AWARD

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$34,748.00 with Ovivo USA, LLC for the provision of a new C40HT clarifier drive unit and a shear pin sprocket with a switch assembly for overload protection.

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure one C40HT drive unit and pin sprocket from Ovivo USA, LLC without conducting a competitive solicitation process for the following reason(s):

Ovivo, formally EIMCO Water Technologies, is a sole source manufacturer and exclusive distributor for all EIMCO Water Technologies parts and equipment in the State of Florida.

All clarifiers in use at County water reclamation facilities have an Ovivo (EIMCO) drive unit.

It would not be cost effective to retrofit other clarifiers.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 24, 2020 for evaluation and consideration.
