

# MANATEE COUNTY

September 13, 2010

All Interested Bidders:

SUBJECT: Invitation for Bid (IFB #10-2793-OV)  
Directional Drilling for the Oakwood Subdivision  
Street Light Project / Bradenton, FL

## ADDENDUM #2

**Bidders are hereby notified that this Addendum shall be acknowledged on page 30 of the Bid Form and made a part of the above named bidding and contract documents. Bids submitted without acknowledgement of the Addendum will be considered incomplete.**

The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

**Bidders Note:** Additional questions shall not be accepted at this time as the stated deadline of September 10, 2010 has lapsed. This deadline has been established to maintain fair treatment of all potential bidders, while maintaining the expedited nature of the Economic Stimulus that the contracting of this work may achieve.

The following question(s) have been received as of September 10, 2010, 5:00 PM.

**Q1: Under Section D.01 (pg. 19) of the bid documents for IFB#10-2793-OV, it refers to permits, licenses and regulations. Will each location need permitting or will one permit cover the entire project? Also, what is the estimated cost of the permitting?**

**A1:** No permit will be required. However, Infrastructure Inspections will be required to review and approve the proposed MOT as they would for a ROW Use Permit. As the review is not really a permit and involves no direct payment by the contractor for submissions to the County, it is not considered a permit.

Financial Management Department – Purchasing Division  
1112 Manatee Avenue West, Suite 803, Bradenton, FL 34205  
Phone: 941-708-7527 – Fax: 941-708-7544

LARRY BUSTLE \* DR. GWENDOLYN Y. BROWN \* JOHN R. CHAPPIE \* RON GETMAN \* DONNA G. HAYES \* CAROL WHITMORE \* JOE MCCLASH  
*District 1                      District 2                      District 3                      District 4                      District 5                      District 6                      District 7*

**Q2: *Plan states that we will be boring to Electric hand hole, did not see any during site visit. Are they buried or will FPL be installing new?***

**A2:** FPL will be installing twelve (12) new hand holes. Prior to installation of the conduit, it shall be the responsibility of the successful contractor to call for underground locates. At that time, all existing FPL hand holes will be located.

**Q3: *What is the minimum depth required for the conduit?***

**A3:** 24" for secondary voltage.

**Q4: *There is a bid item for Synthetic bales and silt fence, at what location is this required as boring will be completed daily with no areas left open?***

**A4:** This may or may not be used, based upon the means and methods provided by the successful contractor and approval by Manatee County. All Bidders shall bid this item.

**Q5: *Location of new street lights are in conflict with existing utilities, is there a plan to make field adjustments as necessary?***

**A5:** Yes, slight field adjustments will be allowed to avoid conflicts with existing utilities.

**Q6: *How do we get recognized as planholders? (We are registered vendors w/ Manatee).***

**A6:** Upon receipt of your email, I have listed you as a planholder for this project.

**Q7: *Are there more specific instructions on how Manatee County would like the bid forms presented? (EX: Cover page, tabs, pg. #s).***

**A7: Bidders note:** In order for your Bid submittal to be responsive and responsible, the following documents shall be included in your Bid submittal:

1. Proof of registration with Bradenton Jobs Etc. office.
2. MBE/WBE/SEC3 shall provide proof of certification.
3. Bid Form Pages (pages 30 through and including 34) (See Addendum No. 2 for revised Bid Form Page 30 only).
4. Section H Certification Forms (pages 35 through and including 38).
5. Copy of General Contractor OR Under Ground Utility and Excavation License(s).

A Site Inspection is a requirement in order to submit a Bid. Bidders shall acknowledge Inspection of the Project Site in Section G, Bid Form listed as page 30.

Cover page and special tabs are not required. All bids received shall be reviewed thoroughly to ensure that all of the above required / stated documents have been replied and returned correctly.
