**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure three RoadRunner 4K Resolution 8 mobile camera recorder systems from Luminator Technology Group Inc. without conducting a competitive solicitation process for the following reason(s):

The County has been obtaining RoadRunner digital mobile camera recorder systems from Apollo Video Technology since April 2010. Luminator Technology Group acquired Apollo Video Technology in May 2017.

The County has standardized on RoadRunner digital mobile camera recorder systems on all transit, trolley, and handy buses.

I have verified Luminator Technology Group is the only provider and installer of RoadRunner digital camera recorder systems.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than May 18, 2020 for evaluation and consideration.
